HEALTH RULES FOR DAIRY CATTLE

1. A Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the opening date of the exhibition is required.

All cattle **must be accompanied by a Certificate of Veterinary Inspection form AAI-13 issued after May 1st and prior to 30 days of the opening of the exhibition**, signed by an accredited veterinarian, that includes a statement that the animal(s) identified have been immunized against IBR, P13, BRSV, and BVD. Rabies vaccinations are required. All drug and vaccine label directions should be followed, including but not limited to mild and slaughter withdrawal periods.

- No Tuberculosis test is required.
- No Brucellosis test is required.

2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI). Animals appearing unhealthy upon arrival may not enter the exhibition grounds.

Animals are not to be unloaded until health requirements are checked.

3. An *Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship* (VCPR) form must accompany each animal, and must be presented upon arrival at the exhibition.

4. Individual official animal identification is required. Official ID includes:

- A state-issued metal ear tag; or
- An ISO-compliant RFID tag; or
- A state-registered tattoo.

5. A current rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older (*market cattle are exempt from this vaccination requirement*). All vaccine label directions must be followed, and all rabies vaccinated cattle must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable.

The CVI is the preferred document.

1. Exhibitors will be expected to display or parade their animals as directed by the superintendent; to accept the stall assigned without controversy, to keep their animals in an attractive appearance, and to cooperate with the Department in every way that may serve to increase the educational value of the show.
2. Exhibitors of livestock must inform themselves as to when their stock will be judged. Stock must be in the ring promptly on call and failure to comply with the order renders exhibitors liable to be ruled out of competing.
3. Decorations with ribbons or ornaments previously won by animals at shows shall be prohibited until after the awards have been made in their respective classes by the judges.
4. Hay and straw must be furnished by the exhibitor.
5. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the Superintendent may direct.
6. The same classifications and premiums apply to each breed.
7. **Registration papers must be presented for all group classes.** Papers must be available for all animals entered; checked at the discretion of the judge.
8. Overfitting of cattle is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
9. All animals must be housed in the barn only.
10. NOTICE: Do not enter animals that you have no intentions on bringing to the fair (ex. For more tack space). This will lead to lost premiums.
